New Year, Good Habits!

Always keep medication secure. ✓

Keep storage areas clean & tidy. ✓

Check MAR charts/stock levels/expiry dates before monthly ordering & rotate stock to minimise waste. ✓

Do not dispose of unused medication at the end of a cycle unless discontinued or reached its expiry date - carry over and enter quantity on MAR chart. ✓

Do not allow discontinued/expired items to build up - document & return as per your medication policy. ✓

THANK YOU

We wanted to take this opportunity to say a huge thank you to anyone and everyone who supported us on our charity Santa Fun Run. We had a great time and managed to raise £150 for Hope House.
